blues brother

blue is back around from last season in new fluoro hues and pastel combinations. Navy is still hot, so clash those hues and nail it top to toe.

in the army now

camouflage is officially the print to rock this season, so mix a safari khaki palette with natural textures and your good to go.

**metal
elements**

infuse some rock n' roll into your style, SS13 is showcasing the use of metallic hints to edge your ensemble. time to unleash your inner rockstar.

- >jacket dh249, h&m
- >tee dh90, top man
- >trousers dh90, iconic
- >shoes dh280, iconic

**be
bright**

primary colours are having their moment again in 2013, so dont be afraid to brighten up that dark winter wardrobe. to subtly nod to the trend, pick a statement bright accessory.

- >tee dh36, h&m
- >jeans dh99, h&m
- >shoes Dh1450, bb washed at blm
- >bag dh1235, ted baker
- >belt dh95, topman
- >glasses dh500, spitfire at west la boutique

**neutral
nauticals**

notoriously worn as loud red-blue-white stripe combos, nautical has now reinvented itself in subtle shades for spring. opt for thinner stripes and team with taupe and cream hues.
